

# Far horizon

*Sparkle and shine light up a rich dark palette.*

**DESIGNER** Alexandra Donohoe of Decus: “The sophisticated dark space for this powder room also had to be earthy enough to suit a beach house. Initially, the palette was strictly black and white but then it was pulled back to a warmer, richer selection of textures. A trio of Bucci pendants provide sparkle, and a circular mirror offsets the straight lines of the vanity and tiles.” *What luxury item did you choose for this bathroom regardless of budget?* “Without doubt, the No. 1 luxury is the view out over the water to the horizon – nothing but blue sea and sky.”
