

“ *USM* is a range we have known and loved for many years, having specified it in various configurations within residential interiors. The versatility of *USM* is of huge appeal, being highly sophisticated and yet able to be applied to a fun and whimsical setting. Designing a piece for a nursery perfectly demonstrates this adaptability. There are no limits in terms of flexibility!”

ALEXANDRA DONOHOE
Decus Interiors

PHOTOGRAPHY FELIX FORREST PRODUCTION STEVE COBDYNY

Custom *USM* storage unit in Gentian Blue from ECC Lighting + Furniture, designed by Alexandra Donohoe. Giopato & Coombes 'Bolle' pendant light.
